

Celebrities as Boys

Who are these boys?

Choose six pictures of men when they were boys who are well known by your pupils.

You can download pictures of famous people from the internet. We suggest a footballer, a TV personality, a singer, Pope Benedict XVI

You can also add a teacher in your school and perhaps your parish priest.

Number or letter each picture.

Put a list of questions on the page. Pupils can answer each question with a number or letter. Eg: Who play football for England, Who is head of the Catholic church? Who became a priest? etc
